As a passionate and dedicated costume designer, I am known for creating visually striking costumes that capture the depth and complexity of each character, all while consistently delivering projects within budget. My collaborative approach nurtures a creative environment where ideas can flourish. Over the course of my career, I have worked on high-profile projects like **The Marvels**, **Doctor Strange**, and more recently **The Gentlemen**, **One Day**, and **The Conjuring**. I thrive in dynamic, fast-paced environments and am eager to bring my skills to contemporary projects that both challenge and inspire.
